

THE WOLF DEN - WHAT IS IT?

THE *WOLF DEN*, is the 1983-84 school yearbook for Dilley High School and Mary Harper Middle School. It contains pictures of people, places and events that have happened throughout the year.

The first section includes photos of the **ADMINISTRATORS, HIGH SCHOOL FACULTY** and other **PERSONNEL**.

Pages 4-9

The main section of the book is the photos of the **DHS STUDENTS**, which includes the Seniors, Juniors, Sophomores, and Freshmen.

Pages 10-29

The third section includes the Senior Personalities and Homecoming Royalty and is entitled **HONORS**.

Pages 30-41

The next section of the book contains pictures of the various **ORGANIZATIONS** which make up an important part of our school.

Pages 42-61

In the **SPORTS** section you'll find pictures of our football, volleyball, basketball, track, and tennis participants.

Pages 62-79

A special section of the yearbook entitled, **SENIOR REFLECTIONS**, includes everything from the bonfire to graduation night.

Pages 80-93

The next section deals with the goings on at **MARY HARPER MIDDLE SCHOOL**.

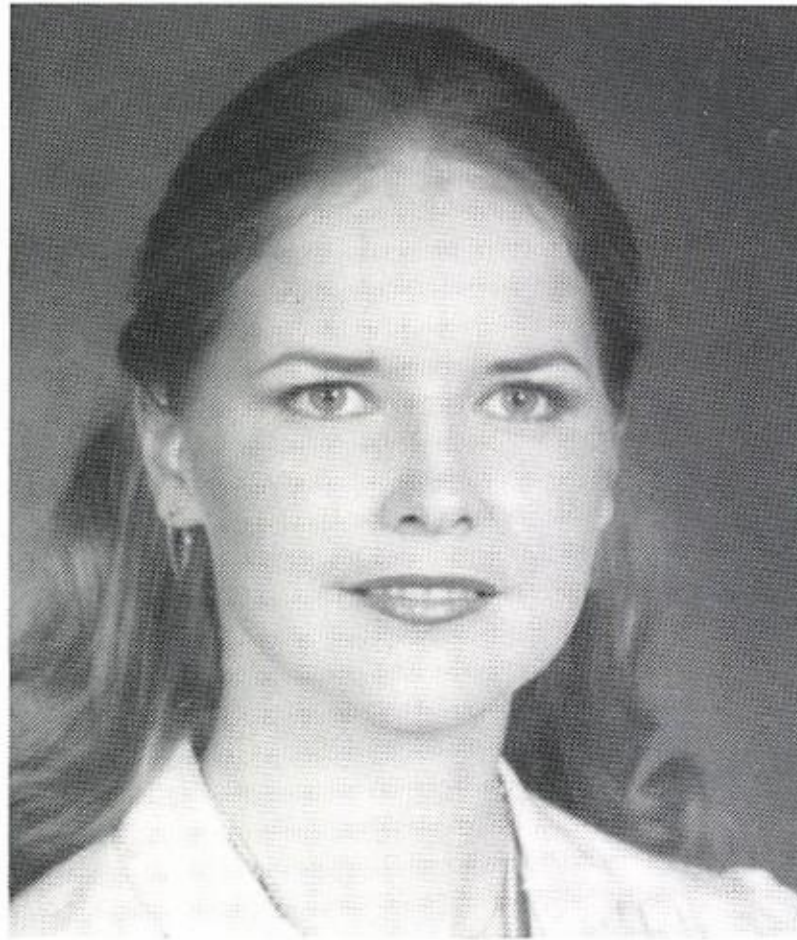

Pages 94-100

Last but not least is the **ADS** section, for without the support of the various businesses in and about town we would not be able to present this yearbook to you.

Pages 110-120

Dedication

We, the members of the annual staff, wish to dedicate the 1984 edition of the *WOLF DEN* to Mrs. Marilyn Smyth.

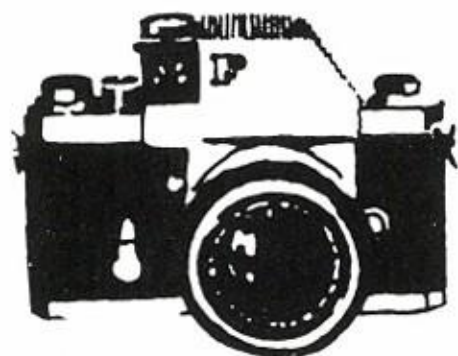

As an English teacher in the upper grades many students do not become acquainted with her until their junior or senior year, at which time they come to recognize her as not only a caring and devoted teacher but also a friend.

We hope that by dedicating this yearbook to her, she will know how very much we appreciate her service to Dilley High School, her unfailing friendship and kindness and consideration for all of us.

We, the Senior Class, would like to thank our sponsors for their hard work and dedication for the past two years.

WHAT MAKES ONE WORTHY OF BEING HONORED BY HIS PEERS?

It should be apparent that the variety of honors bestowed upon students reflects an assortment of highly diversified qualities. However, it would seem appropriate to me that distinction be given only to those students who maintain high academic standards and who mirror the moral character acceptable to our community. All too often, positions of honor which are voted on by the student body, are indicative of popularity, with little thought being given to the worth of the recipient.

Mrs. Marilyn Smyth
Teacher

A person who portrays a good example of himself with honesty, friendliness, and hard working ability is worthy of being honored by his peers.

Darla Alley
Senior

In order for one to be worthy of being honored by their peers, one must be T.U.F.F.!

Rodolfo Rodriguez
FFA Advisor

A person who has a good attitude in everything they do and has a friendly personality is worthy of being honored by his peers.

Janet Rabon
Freshman

One needs to have a good attitude and a burning desire to achieve his goal. He must learn to become and succeed as a leader.

WHAT DO SCHOOL ORGANIZATIONS HAVE TO OFFER YOU?

They offer a student a chance to test his/her capabilities at a certain thing and to carry out a task that he/she may have considered impossible before.

Lana Franklin
Sophomore

School organizations have many things to offer like the development of leadership and discipline skills. They also help you get a feeling of the real world out there.

Frank Duran
Junior

They offer what **you** want to get out of them. They can help make a better "you" outside the classroom. You meet new people and learn to respect everyone for the way they do their thing.

Judy Patterson
Junior

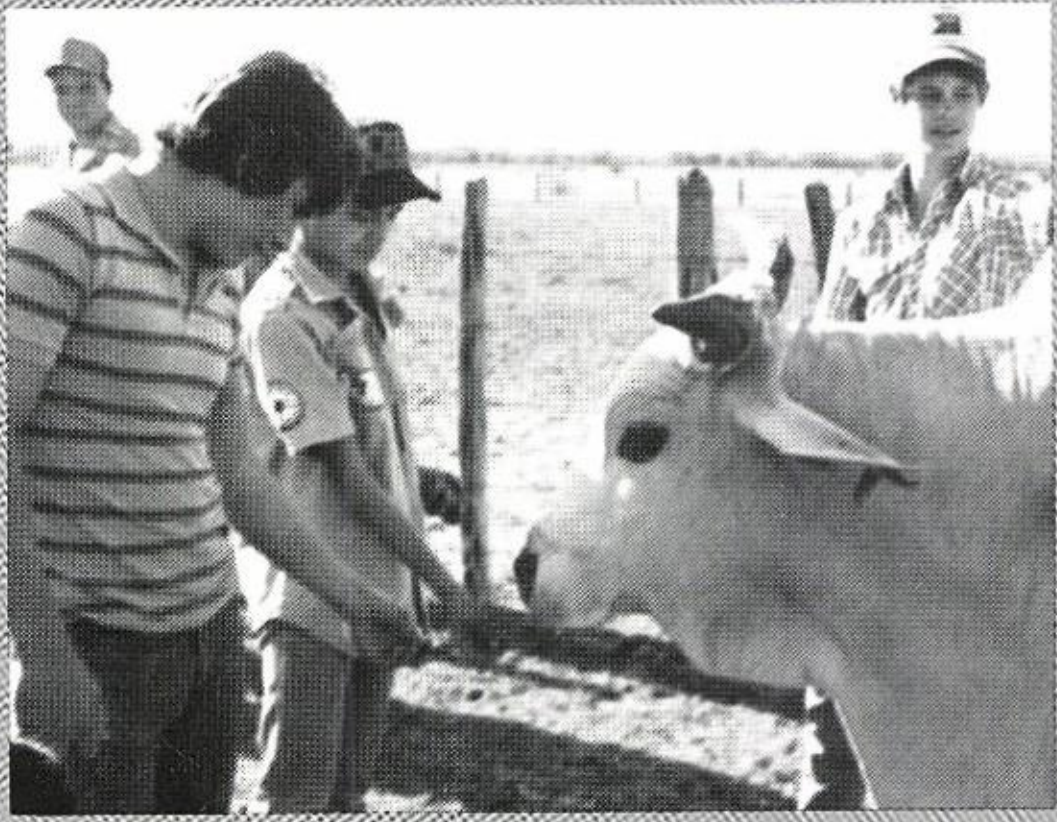

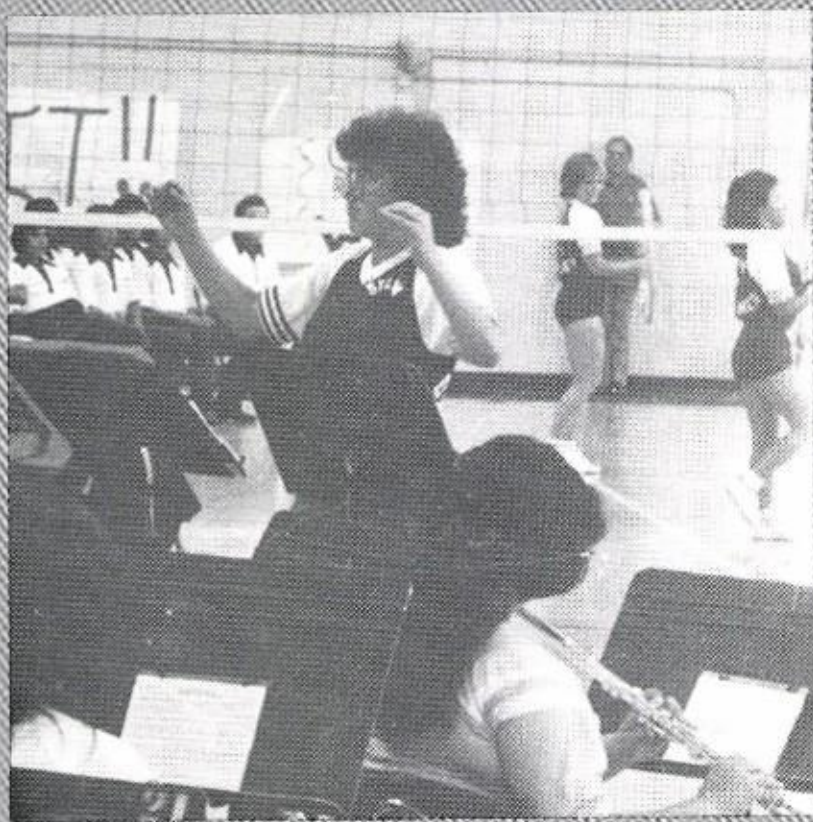

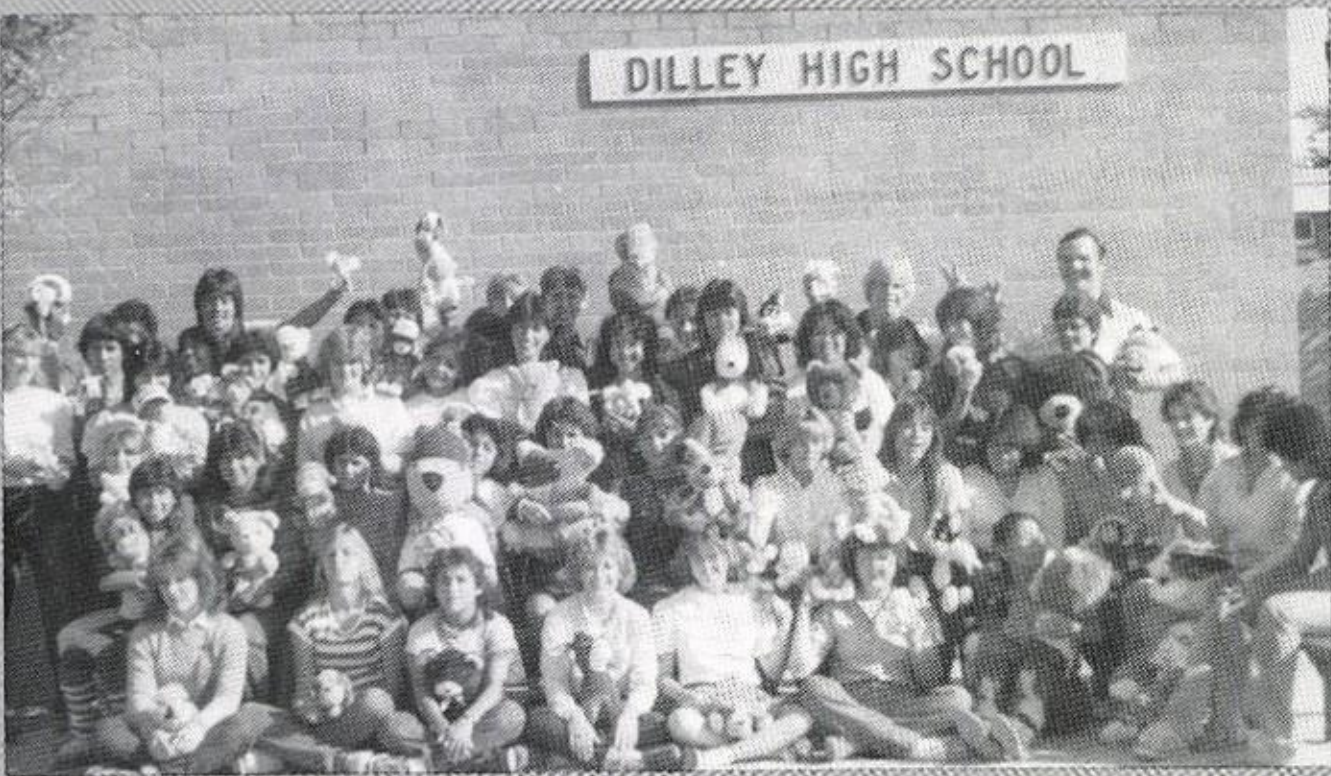

Organizations are a great asset. They teach you about responsibility and dependability to yourself and others. You can find out what your likes and dislikes are and you experience different things. They can help in the decision of your career. They are truly a benefit to any school system.

Pam Gallagher
Senior

Student organizations provide leadership training, individual growth and experience outside the classroom. They help develop new skills and give students opportunities to observe other attitudes and ideas.

SENIOR REFLECTIONS - WHAT DO YOU REMEMBER?

What I remember about D.H.S. is sliding behind the Coke machine, David, Tatto. Nov. 13, twirling, "Gonzo", Prom 82-83, and of course Joe. All the good times I have ever had will be remembered everytime I think of Dilley High School.

Rhonda Flores

My High School Reflections: Sophomore year - getting adjusted to Dilley, meeting new friends, becoming part of the crowd. Junior Year - EXCITING, because of Cheerleading, working in concession stand, preparing for prom, and getting ready to become a Senior. Senior Year - REALLY EXCITING, it finally arrived, buying invitations, taking Senior pictures, measuring for cap and gown, preparing for Homecoming, discussing Senior trip, and finally waiting for GRADUATION.

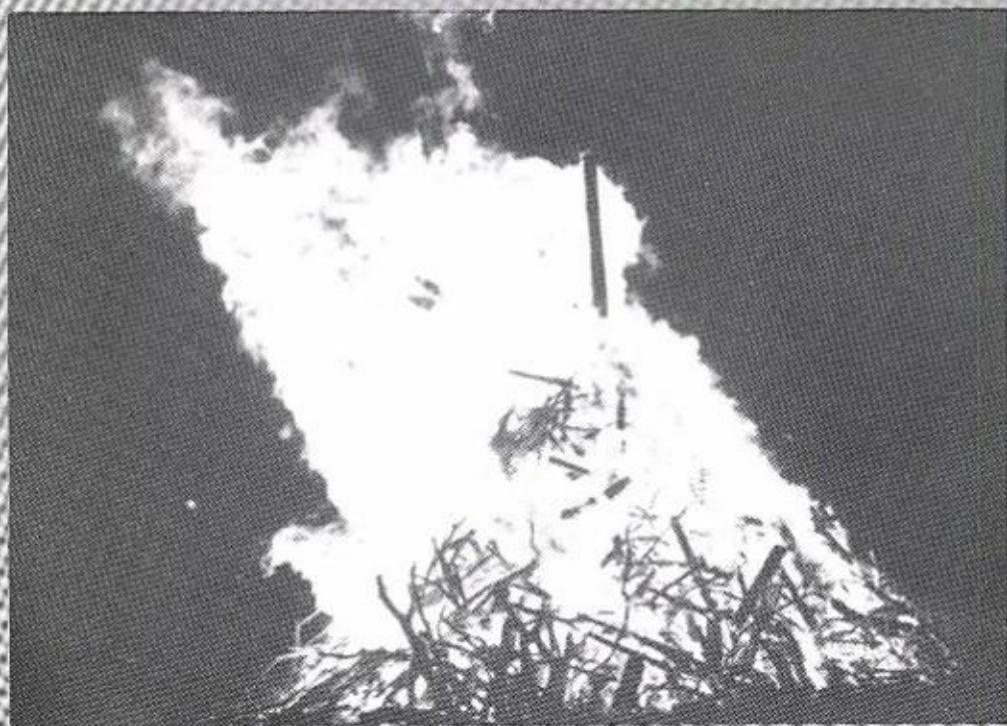

Dee Anne Obregon

The things I remember are: Freshmen year - we were picked on by everyone. Sophomore year - Rhonda fell by the Coke machine. Junior year - usher at Senior Play, getting everything ready for the Prom. Senior year - Drum Major, our great big bonfire, our Senior vs. Faculty Basketball game (fun city), and looking forward to our Senior trip and Graduation.

Sylvia Patterson

My reflections of my High School years are of making new friends through the years and the excitement of preparing for special events such as the Jr. and Sr. Prom and other special moments. I will always treasure my High School years forever.
